

To mark the International Woman's Day march 8 2017, Zonta club of Dhaka-III installed mobile toilets for women in Dhaka city to promote health and hygiene. Many women workers and commuters suffer from kidney disorders and urinary tract diseases. Keeping this in mind Zonta club of Dhaka-III took the lead on providing this facility for the first time in Bangladesh.

It was inaugurated by District-25, Area-02 governor Ztn. Fahmida Karim, MP Ztn. Nilufer Zafarullah and Zonta club-III president Ztn. Reyhana Ashraf. Members of the club and local people were present at the inauguration ceremony at Kuril Biswaroad. Two mobile toilet, 1 for women And 1 for men was installed. This is a project of Zonta Club-III of Dhaka, a service organization uplifting and empowering women in the field of health and education.
